

SALESTEAM live™
Your Virtual Marketing Team

DONE-FOR-YOU MARKETING CAMPAIGNS

Customizable Campaign

SalesTeamLive is your full service Virtual Marketing Team. Do you have your own marketing materials, but losing valuable time and money trying to get it out to market? Do you have a special list of targeted properties or need your Virtual Marketing to acquire it for you? Do you want to customize your marketing letters or postcards, the sequence they get delivered, and/or the frequency? The SalesTeamLive Customizable Campaign is just what you're looking for. Let SalesTeamLive take the brain damage out of your marketing.

Campaign details include:

Market

- SalesTeamLive can help you acquire the list
- We have access to some of the best list providers in the country
- We can identify and purchase the list for you
- In addition, you can import your own list that you've secured.

Message

- SalesTeamLive messaging can be modified to your liking
- You can edit the copy or you can provide your own copy and layout
- If you have your own design, SalesTeamLive may be able to have it all 'Done-For-You'

Media

- SalesTeamLive works with some of the largest print and mail fulfillment houses in the country
- We currently mail (NO minimum quantity):
 - Canary-yellow, card stock, 4" x 6" postcards
 - Yellow Letter design 8 1/2" x 11" lined (or unlined) yellow letters with handwritten font (regular and oversized envelopes)
 - 4:4 color UV coated 5.5" x 8" oversized postcards
 - Canary-yellow, card stock, 6" x 9" oversized postcards
 - 4:4 color UV coated 8 1/2" x 11" self-mailers

* SalesTeamLive can support other media types, however minimum order quantities and commitments may apply

Multiple

- SalesTeamLive can deliver any number of multi-sequence mailing pieces as you'd like. Whether you want 1 piece or 10+, its totally up to you.

Months

- SalesTeamLive can deliver at any frequency over any period of time you'd like. Whether you want to mail to a properties daily, weekly, monthly, quarterly, SalesTeamLive can assist you.

Money

- SalesTeamLive can track your response rates and measure your results. With our unique 800 (or local) phone numbers, you'll be able to know your exact return on investment. Take the brain damage out of your marketing and let the experts manage it all for for you.

Investor Tip:

The **Customizable Campaign** is perfect for experienced entrepreneurs that want to fine tune their campaigns or experiment with different techniques – whether its a special list, modified copy or custom design pieces, the configurable campaign is a great solution.
